

HALF YEAR CHECK-UP

A half year check-up is the regular appointment you have with your dentist to check if everything is alright or you need any kind of dental treatments.

1

It helps to prevent bigger and more serious dental problems

2

Early recognition makes any dental problems easier and less expensive to cure

3

Includes cancer screening

4

The guarantee of any dental treatments performed by **FOREST & RAY DENTAL** is only valid if you attend the regular checkups!
